3. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Company provides a complete seating solutions for driver and cabin seating for commercial vehicles, tractors and construction equipment, as well as passenger seats for buses across all segments and has established itself as a leader in these segments in the country for seating systems. This premier position in the country has helped the Company emerge as the seat provider of choice for new OEMs entering the country, such as Scania buses.

INDUSTRY STRUCTURE AND DEVELOPMENTS

In 2013-14, the economy grew only at 4.9% as against 5.5% previous year. In tandem, the industrial sector growth was low at 0.7% which was 1.0% last year. This slowdown can be attributed to all-round contraction in demand as well as drop in consumer confidence due to the global economic conditions.

During the fiscal year 2013-14, Rupee depreciated steeply to Rs. 60.10 / USD from Rs. 53 / USD levels in the previous year.

All the customer segments of the Company in the Indian domestic market except tractors registered a decline during 2013-14. The following table highlights the segment wise industry sales figures in vehicle units.

Category	2013-14 Nos.	2012-13 Nos.	Growth / (decline) %
Medium and Heavy Commercial Vehicles (M & HCV)	2,24,433	2,87,371	(21.9)
Light Commercial Vehicles (LCV)	4,85,302	5,85,816	(17.2)
Buses - M & HCV	45,813	53,691	(14.7)
Tractors	6,34,151	5,27,329	20.3

[Source: SIAM]

The Company registered sales at Rs.25,012.53 lakhs in 2013-14. During the year, efficiency in

supply chain was improved through inter-plant coordination; horizontal deployment of lean and other improvement initiatives was done across all plants. These initiatives, along with the implementation of various other cost reduction projects across functions have enabled the Company to post a profit before tax of Rs. 589.23 lakhs in 2013-14.

OPPORTUNITIES AND THREATS

The Company has initiated product development activities to maintain the leadership position in the tractor segment in the domestic market. The Company continues to supply products to export markets and is exploring opportunities to increase export sales.

As a leader in the bus passenger seats with a wide range of seats, the Company has further strengthened its position with new product variant launches, including the seats for deluxe, standard and school bus segments. The Company expects the added features to support further growth in this segment.

A significant competitive threat is the entry of overseas competition and the Indian bus body builders getting into seat manufacturing. During the past years, international seating companies have entered India with plans for local manufacturing facility either directly or through joint ventures. The Company continues to invest in the indigenous design capability to counter and address this threat.

The continued slow-down in the Indian economy is a threat to the Company owing to the large share of domestic sales. The Company is taking steps to expand the customer base and market spread to counter this threat.

PRODUCT-WISE PERFORMANCE

The Company posted a decline of 9.5% in the overall sales. The Company's sales declined in the Commercial Vehicle segment and exports by 8% and 25% respectively.

BUSINESS OUTLOOK AND OVERVIEW

Continuing the depressed growth scenario in the previous year, the projected GDP growth for 2014-15 is 5.0-5.5%. The M&HCV and LCV segments are estimated to further decline. Bus segment is also expected to decline over last year levels. Tractor growth is expected to be marginal in year 2014-15.

RISKS AND CONCERNS

The domestic market for commercial vehicles, buses and off road equipment seat has declined last year. The continuing depressed economic projection for the country is expected to further impact the commercial vehicles and bus industry. The Company is working across the entire value chain to improve operational efficiency and maintain the cost base during the market decline. The Company plans to develop additional products to maintain its growth plans. The Company has also put in place initiatives to improve product quality to support the growth plans.

The Rupee depreciated in the last year as against the US dollar. There may not be a major recovery in 2014-15, and the Company is taking suitable forex cover to mitigate the risk in foreign exchange fluctuations.

12.1 Demat of Shares:

Shareholders are requested to convert their physical holding to demat/ electronic form through any of the Depository Participants (DPs) to avoid any possibility of loss, mutilation etc., of physical share certificates and also to ensure safe and speedy transaction in securities.

12.2 Registration of Electronic Clearing Service (ECS) Mandate:

SEBI has made it mandatory for all companies to use the bank account details furnished by the Depositories for payment of dividend through ECS to investors wherever ECS and bank details are available. The Company will not entertain any direct request from members holding shares in electronic mode for deletion of / change in such bank details. Members who wish to change such bank account details are therefore requested to advise their DPs about such change, with complete details of bank account.

ECS helps in quick remittance of dividend without possible loss/delay in postal transit. Shareholders, who have not earlier availed this facility, are requested

- to register their ECS details with the STA or their respective DPs.
- 12.3 Transfer of shares in physical mode:
Shareholders should fill up complete and correct particulars in the transfer deed, for expeditious transfer of shares. Wherever applicable, registration number of power of attorney should also be quoted in the transfer deed at the appropriate place.

Such nomination greatly facilitates transmission of shares from the deceased shareholder to his / her nominee without having to go through the process of obtaining succession certificate / probate of the Will, etc.
It would therefore be in the best interest of the shareholders holding shares in physical form registered as a sole holder to make such nominations. Shareholders, who have not availed nomination facility, are requested to avail the same by submitting the nomination in Form SH-13 to the Company or STA. This form will be made available on request. Investors holding shares in demat form are advised to contact their DPs for making nominations.

These alerts will be sent to those account holders who have

provided their mobile numbers to their DPs. No charge will be levied by NSDL / CDSL on DPs providing this facility to investors. This facility will be available to investors who request for the same and provide their mobile numbers to the DPs. Further information is available on the website of NSDL and CDSL namely www.nsdl.co.in and www.cdslindia.com, respectively.

12.8 Timely encashment of dividends:

As required by SEBI, shareholders are requested to furnish details of their bank account number and name and address of the bank for incorporating the same in the warrants. This would avoid wrong credits being obtained by unauthorized persons.

Shareholders who have not encashed their dividend warrants in respect of dividends declared for the year ended 31st March 2007 and for any financial year thereafter may contact the Company and surrender their warrants for payment.

Shareholders are requested to note that the dividends, not claimed for a period of seven years from the date they first became due for payment shall be transferred to IEPF in terms of Section 205C of the Companies Act, 1956. Accordingly, a sum of Rs.1,68,939 being unclaimed dividend upto 31st March 2006, was transferred to IEPF during the year.
